Updates & Notes

Have you seen or heard from one of our comrades we don't have contact information for? Talked to someone from the past? Travelled and seen something that others in the membership might be interested in?

We would like to have a column or page in each newsletter with notes and updates from the members. To make this work, I need to have emails and pictures from you.

If you are interested in seeing this type of information in our quarterly newsletter, please send me an email with the particulars – who, what, when, where, and why – and include a picture or two if you have them.

I will gladly set aside a column – or page – for you all to share information and news.

The President's Column

COL John L. Ruppel, Jr. (Ret.)

The Board has been exploring options to reduce Association expenses and preclude dues increases. The largest Association expenditure is producing the Newsletter. The September Newsletter is being delivered to all Association members with a valid email address via the internet. Those members who do not possess email capability will receive a mailed hard copy. Please provide Lynda Fawcett with your comments or questions. Lynda's email address is LTFawcett@hotmail.com.

The Association received a request from the Hayward Airport Manager for material to be displayed in the Administration Building encompassing the 129th Hayward period. The Moffett Museum is also asking for 129th display material. The Newsletter contains details on the requests.

The Wing successfully completed the June ORI Phase I Inspection. The ORI Phase II Inspection will be scheduled in 2013. This will provide the Wing time to prepare and meet several operational commitments.

Liliana Ramos, the Mercantile Store Manager, is providing members an opportunity to do some early Christmas shopping at reduced prices.

The Association received work of the passing of Ray Cloutier on August 5, 2012, and Myron Tejada on August 21, 2012. The Newsletter contains an obituary piece on Ray and Myron.

Lastly, if you have not paid your annual Association dues, you have until September 30, 2012, at which time your membership will be suspended. Members whose dues are delinquent on December 31, 2012, will have their membership terminated.

September is now upon us and the kids have returned to school. Be alert when you are driving in the vicinity of schools!

Cheers!

John

TSgt Raymond Dennis Cloutier

22 December 1931 - 5 August 2012

Raymond D. Cloutier of San Ramon, CA, went home to do some important projects for God on August 5th, 2012, at the age of 80. He passed over surrounded by his family after succumbing to cancer. . Raymond was born on December 22, 1931, and raised in Barton, VT, with his parents, 5 brothers and 3 sisters. He graduated from Barton Academy in 1947, and embarked on a 4-year stint in the Air Force where he served in the Korean War on bombers. He served his country with distinction for 11 years and received an honorable discharge as well as several honors, including the National Service Medal. Ray later traveled to California where he attended Pasadena College and UCLA, met and married one of his private pilot students, Francine Kellerman (of Beverly Hills, CA). They shared 49 years of marriage together. They had two beloved daughters: Michele Cloutier-Valdez of Mt Shasta, CA, and Suzanne Cloutier-VanDerwater of Sandy, OR. Raymond's career as a commercial Airline Pilot lasted through many years, many countries, and many airlines. He also worked as a commercial pilot instructor both in the US and abroad. He mentored hundreds of students in flying commercial aircraft in the US, Russia, Turkey and China. Both Ray and Fran enjoyed traveling around the globe. Ray was a lifetime ski bum who was proud to still be sporting his leather ski boots on the slopes into his 70's! Raymond was active in the Veterans of Foreign Wars (VFW), the American Legion, and belonged to the National Association of Atomic Veterans. He had a passion for genealogy and was a founding member of L'Association de Cloutiers of North America. He loved a good cup of Peets coffee and a maple bar, as well as a great gin martini (with three olives, of course - for his 'girls'). He will be missed by many for his kind heart, giving nature, and outstanding sense of humor. Raymond is predeceased by his parents Severin and Rose Marie; brothers Gaston and Regent; and sister Bertha. His is survived by brothers Robert, James, and Gaetan; sisters Martha and Rita; wife Francine; and daughters Michele and Suzanne. A celebration of Raymond's Life was held on August 24, 2012, at the Chapel at Oakmont Memorial Park in Lafayette, CA. Donations to Hope Hospice in Dublin, CA are welcome

MSgt Myron Tejada

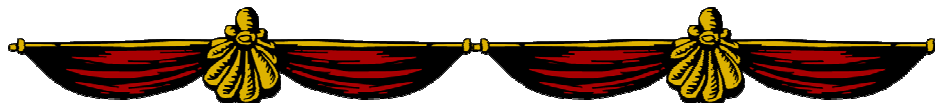

4 June 1931 - 21 August 2012

MSgt Myron Tejada, age 81, passed away on August 21, 2012, while undergoing dialysis following a prolonged illness. Myron was born on June 4, 1931, in the Niles District of Fremont, CA. He was raised in Union City and graduated Washington High School. Following high school, Myron enlisted in the Air Force, completing aircraft mechanics training at Lackland Air Force Base, TX, and was stationed at Milwaukee, WI, and Terra Haute, IN, before returning to California. Myron joined the 129th in 1956 and spent 30 years with the unit.

Myron married his wife, Lucy, on November 5, 1960, at Our Lady of the Rosary Catholic Church in Union City – the same church he was baptized in as an infant. Myron and Lucy have three children: Marla, Ilyce, and Myron; and two grandsons: Gabriel Jimenez and Colton Taylor Tejada.

Museum Donations Needed & Wanted

129TH RQW MUSEUM DISPLAY

Do you have any memorabilia you would like to donate to the 129th RQW display at the Moffett Museum? We will proudly display it for you along with a plaque with your name by the item. We have plenty of uniforms already but are in need of items that we can display on the shelves. Thank you very much to all who have generously donated items. Please contact CCMSgt Liliana Ramos at (408) 263-5352 LilRamos@pacbell.net

A special thank you to Mrs. Santos and her son, Brad Santos, for the many items and uniforms they have donated in Gen Al Santos' name. Gen Santos was the Wing Commander from 1973-1977, serving as the 129th Rescue Wing's third Wing Commander. Prior to joining the Wing, he was a WWII pilot who logged 320 flying hours on 66 combat missions. We have a display of Gen Santos' Commando uniform and flight suit at the museum along with various other military paraphernalia and books.

HAYWARD AIRPORT MUSEUM DISPLAY

Subject: 129AHA Artifacts for Display

Dear Col. Ruppel:

I'm the airport manager at Hayward Executive Airport and I'm writing to ask for the assistance of the members of your alumni association. We are designing a new administration building at the airport that should break ground in January 2013 and be completed by December 2013. Our plans include a locked, glass display case for Hayward Airport memorabilia and artifacts. Since the 129th was a proud part of the airport's history, I want to investigate the possibility that your members may have material that they may wish to donate for permanent display here. We are particularly interested in 3-dimensional objects such as (but not limited to) aircraft scale models, signs, banners, plaques, flags, clothing such as hats or caps, aircraft manuals, checklists, or old charts.

When you have a moment, please contact me so that we may discuss this further. Thank you for your assistance.
